Chapter 1. General Provisions

9000. This part shall be known and may be cited as the Public Cemetery District Law.

9001. (a) The Legislature finds and declares all of the following:

(1) There is a continuing need to provide for the respectful and cost-effective interment of human remains to meet the cultural, economic, religious, and social needs of California's diverse communities.

(2) The Legislature authorized the creation of public cemetery districts in 1909 to assume responsibility for the ownership, improvement, expansion, and operation of cemeteries and the provision of interment services from fraternal, pioneer, religious, social, and other organizations that were unable to provide for those cemeteries.

(3) For nearly a century, public cemetery districts have provided communities with the means to publicly finance the ownership, improvement, expansion, and operation of public cemeteries and the provision of interment services, particularly in rural and formerly rural communities.

(4) Interment customs and practices have changed since the creation of the public cemetery districts but communities continue to need the means to own, improve, expand, and operate public cemeteries that provide respectful and cost-effective interments.

(b) In enacting this part, it is the intent of the Legislature to create and continue a broad statutory authority for a class of special districts that can own, improve, expand, and operate public cemeteries that provide respectful and cost-effective interments.

(c) It is also the intent of the Legislature that local officials adapt the powers and procedures provided by this part to meet the diversity of local conditions and circumstances.

9004. This part is necessary to protect the public health, safety, and welfare, and shall be liberally construed to effectuate its purposes.

9005. 9013. (a) A proposal to form a new district may also be made by the adoption of a resolution of application by the legislative body of any county or city that contains the territory proposed to be included in the district. Except for the provisions regarding the signers, signatures, and the proponents, a resolution of application shall contain all of the matters specified for a petition in Section 9011.

(b) Before adopting a resolution of application, the legislative body shall hold a public hearing on the resolution. Notice of the hearing shall be published pursuant to Section 6061 of the Government Code in one or more newspapers of general circulation within the county or city. At least 20 days before the hearing, the legislative body shall give mailed notice of its hearing to the executive officer of the local agency formation commission of the principal county. (d) The clerk of the legislative body shall file a certified copy of the resolution of application with the executive officer of the local agency formation commission of the principal county.

(b) Notwithstanding any other provision of law, a local agency formation commission shall not approve a proposal that includes the formation of a district unless the commission determines both of the following:

(2) That the proposed district will have sufficient revenues to carry out its purposes.

(c) Notwithstanding paragraph (2) of subdivision (b), a local agency formation commission may approve a proposal that includes the formation of a district where the commission has determined that the proposed district will not have sufficient revenue, provided that the commission conditions the approval on the approval by the voters of special taxes or approval by the property owners of special benefit assessments that will generate those sufficient revenues. The commission shall provide that if the voters do not approve the special taxes or if the property owners do not approve the special benefit assessments, the proposed district shall not be formed.

(d) If the local agency formation commission approves the proposal for the formation of a district, then, notwithstanding Section 57007 of the Government Code, the commission shall proceed pursuant to Part 4 (commencing with Section 57000) of Division 3 of Title 5 of the Government Code.

CHAPTER 7. ALTERNATIVE REVENUES

9080. Whenever a board of trustees determines that the amount of revenues available to the district or any of its zones is inadequate to meet the costs of providing facilities, programs, projects, and services, the board of trustees may raise revenues pursuant to this chapter or any other provision of law.

9081. A district may levy special taxes pursuant to either of the following:

(a) Article 3.5 (commencing with Section 50075) of Chapter 1 of Part 1 of Division 1 of Title 5 of the Government Code. (b) The Mello-Roos Community Facilities Act of 1982, Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the Government Code.

9082. (a) Whenever a board of trustees determines that it is necessary to incur a general obligation bond indebtedness for the acquisition or improvement of real property, the board of trustees may proceed pursuant to Article 11 (commencing with Section 5790) of Chapter 4 of Division 5 of the Public Resources Code. For the purposes of that article, the board of trustees shall be considered the board of directors of the district.

(b) Notwithstanding subdivision (a), a district shall not incur indebtedness that exceeds 2 percent of the assessed value of all taxable property in the district at the time the bonds are issued.

9083. (a) In addition to the other fees authorized by this part, a board of trustees may charge a fee to cover the cost of any other service that a district provides or the cost of enforcing any regulation for which the fee is charged. No fee charged pursuant to this section shall exceed the costs reasonably borne by the district in providing the service or enforcing the regulation for which the fee is charged.

(b) Notwithstanding Section 6103 of the Government Code, a board of trustees may charge a fee authorized by this section to other public agencies.

(c) A board of trustees may charge residents or persons who pay property taxes on property located in the district a fee authorized by this section that is less than the fee that it charges to nonresidents or nontaxpayers.

(d) A board of trustees may authorize district employees to waive the payment, in whole or part, of a fee authorized by this section when the board of trustees determines that payment would not be in the public interest. Before authorizing any waiver, the board of trustees shall adopt a resolution that specifies the policies and procedures governing waivers.

CHAPTER 8. ZONES

9090. (a) Whenever a board of trustees determines that it is in the public interest to provide different services, to provide different levels of services, or to raise additional revenues within specific areas of the district, it may form one or more zones pursuant to this chapter.

(b) The board of trustees shall initiate proceedings for the formation of a new zone by adopting a resolution that does all of the following:

- (1) States that the proposal is made pursuant to this chapter.
- (2) Sets forth a description of the boundaries of the territory to be included in the zone.
- (3) States the different services, the different levels of services, or the additional revenues that the district will provide.

(4) Sets forth the methods by which those services or level of service will be financed.

(5) States the reasons for forming the zone.

(6) Proposes a name or number for the zone.

(c) A proposal to form a new zone may also be initiated by a petition signed by not less than 10 percent of the registered voters residing within the proposed zone. The petition shall contain all of the matters required by subdivision (b).

(d) Upon the adoption of a resolution or the receipt of a valid petition, the board of trustees shall fix the date, time, and place for the public hearing on the formation of the zone. The district shall publish notice of the hearing, including the information required by subdivision (b), pursuant to Section 6061 of the Government Code in one or more newspapers of general circulation in the district. The district shall mail the notice at least 45 days before the date of the hearing to all owners of property within the proposed zone. The district shall post the notice in at least three public places within the territory of the proposed zone.

9091. (a) At the hearing, the board of trustees shall hear and consider any protests to the formation of a zone pursuant to this chapter. The board of trustees shall terminate the proceedings, if at the conclusion of the hearing, it determines either of the following:

(1) More than 50 percent of the total number of voters residing within the proposed zone have filed and not withdrawn written objections to the formation.

(2) Property owners who own more than 50 percent of the assessed value of all taxable property within the proposed zone have filed written and not withdrawn objections to the formation.

(b) If the board of trustees determines that the written objections have been filed and not withdrawn by 50 percent or less of those voters or property owners, then the board of trustees may proceed to form the zone.

(c) If the resolution or petition for formation of a zone proposes that the zone use special taxes, special benefit assessments, fees for property-related services, or general obligation bonds to finance its purposes, the board of trustees shall proceed according to law. If the voters or property owners do not approve those funding methods, the zone shall not be formed.

9092. (a) A board of trustees may change the boundaries of a zone or dissolve a zone by following the procedures in Sections 9090 and 9091.

(b) Except as provided in Section 56886 of the Government Code, a local agency formation commission shall have no power or duty to

review and approve or disapprove a proposal to form a zone, a proposal to change the boundaries of a zone, or a proposal to dissolve a zone.

9093. (a) As determined by the board of trustees and pursuant to the requirements of this part, a zone may provide any service at any level or levels within its boundaries that the district may provide.

(b) As determined by the board of trustees and pursuant to the requirements of this part, a zone may exercise any fiscal powers within its boundaries that the district may exercise.

(c) Any special taxes, special benefit assessments, fees, or general obligation bonds which are intended solely for the support of projects, services, or programs within a zone shall be levied, assessed, and charged within the boundaries of that zone.
